A SMILE ON ME

Smile, all of you, smile;
Don't be the bluest pill in the pile,
Don't act as tho you've finished your last mile;
Turn your mouth corners up for awhile,
And smile, all of you, smile!

Most truly yours,

GREETINGS: I am indeed happy to submit our 1947 catalog of outstanding Glads for your careful consideration.

We do sincerely thank our customers and friends for the many fine orders and nice complimentary letters sent us during the past season; all of which helps to make life more worthwhile, and a determination to grow the best and cleanest bulbs for you possible.

We have extended our list this year to include more of the better varieties as we see them, but it is not inclusive of all the good glads by far.

We feel confident that you will be delighted to grow any of the varieties herein listed, and assure you the bulbs we will send you, to be as good as the best.

This past season was the best we have enjoyed so far -- Thanks again to all those who sent us orders both large and small, and wishing all of you more and better glads during 1947, and lots of smiles.

OUR BUSINESS POLICY: We do not substitute unless instructed to do so. No orders accepted totaling less than \$2.00. No bulblet orders accepted after April 1st. All orders accepted subject to prior sale. Retail orders shipped prepaid anywhere in the United States and Canada. Wholesale orders f.o.b. Hagerstown, Maryland. We promptly acknowledge all orders received. All orders to be paid in full before shipment.

WHOLESALE PRICES:

10 bulbs will be sold at 8 times the price per each.

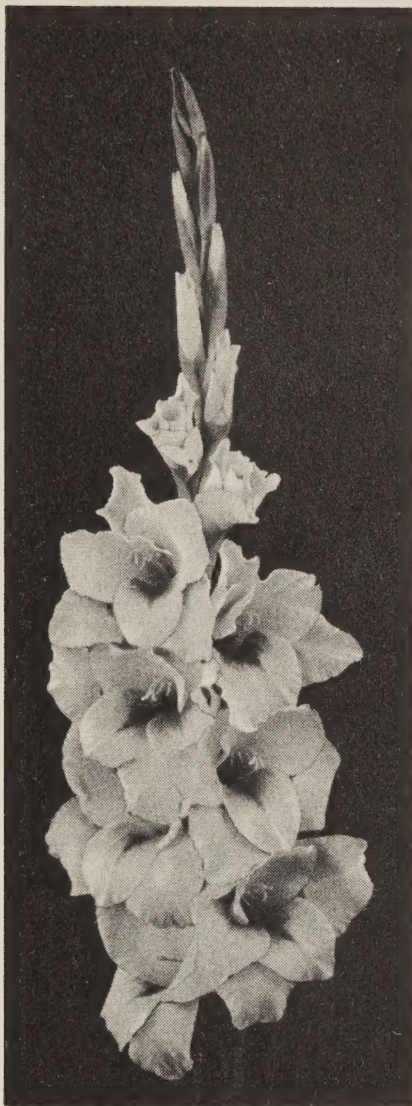

100 bulbs will be sold at 8 times the price per 10.

Write us for quotations on large lots stating number and size of varieties interested in. On early requests we can quote some varieties per 1000 and bulblets per half pint, pint, quart, etc.

EXTRAS! SURE we have always given liberal count and extras, depending on what your order rates. Leave this to us and we know you will be pleased. "God loveth a cheerful giver."

Most truly yours,

E. Bane Snyder.

SILVER STAR

One of our 1945 Introductions

A large formal pure white with bright purple shading to lavender blotch, floret size 5 to 6 inches with slightly ruffled edge, 6 to 8 open and as many showing color on a heavy stiff spike with 16 to 18 buds, flower head 25 inches, grows 55 inches high and blooms in 90 days. Tall healthy grower, extra heavy producer of medium size bulblets that germinate readily. Top notch exhibition and also a good commercial.

Reported 1946 Show Winnings

5 Blue Ribbons - 1 Divisional Champion

Prices: Large \$1.00 - Medium 75¢ - Small 50¢
Bulblets 20 for \$1.00 - 100 for \$4.00

You really have something in *Silver Star*. The best thing we had this season. G. H. Nebraska

ORANGE PRINCE

(Sport of Vagabond Prince)

Sported 1940. Introduced 1945. Same growth, floret size and productiveness as Vagabond--color is a dazzling orange slightly on the red side with the same flame throat marking as Vagabond Prince. Boy, what a color! You can spot *Orange Prince* at a glance among others blooming anywhere in a five-acre field; doesn't burn in hot sun either. My prediction is that *Orange Prince* will become one of the leading show table as well as commercial cut flower varieties. Classification R03. Don't lose valuable time; get started with *Orange Prince* and win.

Reported 1946 Show Winnings

10 Blue Ribbons - 2 Divisional Champions

Prices: Large \$1.00 - Medium 75¢ - Small 50¢
Bulblets 20 for \$1.00 - 100 for \$4.00

* * * * *

We think *Orange Prince* is very fine and feel sure it will be most popular. F. C. F. Mass.

Put a basket of *Orange Prince* in church last Sunday and it sure did glow. B. S. Iowa

SNOWSHEEN

The Whitest of the Whites

Introduced in 1942, *Snowsheen* is a nicely ruffled pure white without any other color, stigma and stamens slightly cream - 6 good facing 4 inch wide open triangular florets and 4 showing color, 20 buds on a 25 inch flower head, stands 54 inches or more in field, medium thin very stiff stem, strong healthy grower, medium broad foliage makes a beautiful bulb that is a good producer of bulblets which germinate readily. Bulbs do not split as some whites do. *Snowsheen* is tops for both exhibition and commercial use. Blooms in 75 days.

A consistent winner ever since it was first shown in the seedling class.

Reported Show Winnings During - 1946

10 Blue Ribbons - 5 Divisional Champions - 1 Best Vase

Prices: Large 30¢ - Medium 20¢ - Small 10¢
Bulblets 25 for 25¢ - 100 for 75¢

* * * * *

I ordered a few bulbs of *Snowsheen* for trial this past season. It looks very nice, and is really white while most of the so-called whites are really cream. A. M. New York

GLADIOLUS SOCIETIES

We earnestly recommend that you join as many *GLAD SOCIETIES* as possible - support your local or state groups, and by all means for up-to-date information on new varieties, planting, fertilizing, hybridizing, growing for shows, exhibiting, harvesting, curing and storing of bulbs; also, best dips and sprays, prevention of diseases and best methods for the control thereof; also, reports of trial gardens and show winners.

THE NEW ENGLAND GLADIOLUS SOCIETY is the oldest and largest, having been organized in 1920. Its officers and governing body is made up mostly of men living in the state of Massachusetts near Boston.

They issue a year book "The Gladiolus," during January or February, and 6 bi-monthly magazines. Members receive a copy of all the above at a cost of \$2.00 for annual dues. Make check or money order payable to *The New England Gladiolus Society, Inc.* and send to *Alvin K. Parker, Secretary, Box 2, Norwood, Massachusetts.*

THE NORTH AMERICAN GLADIOLUS COUNCIL is an up and coming organization; its officers are men of outstanding ability in the United States and Canada who know Gladiolus from A to Z. The N.A.G.C. issues four large quarterly bulletins chock-full of invaluable information for the gladiolus grower whether he be an amateur or professional. The North American Gladiolus Council and the Canadian Glad Society will jointly sponsor the first International Gladiolus Show at Binghamton, N.Y., August 19 and 20, 1947.

You may become a subscribing member and receive all publications for only \$1.00 per year. Send to *Thomas R. Manley, Secretary, 525 Coleman Avenue, Fairmount, West Virginia.*

NOTE: If you prefer to send your membership dues in either N.E.G.S. or N.A.G.C. or both, to us, along with your order, we will add additional bulb or bulbs to offset the cost of your first year's subscription. Please be advised that neither of the above Societies reimburse us. This offer is purely voluntary on our part. We hope you will make it cost us a lot of bulbs - we want to show you what you have been missing. Tell your friends about this offer.
